To whom it May Concern,

My name is Chuck Howard, I'm the Performance Coach for the Phoenix Prep Basketball Program. I've known and trained Shamar Moore for two seasons at Phoenix Prep. I've always found Shamar in good spirits and a positive attitude which helps bring energy to the training of the team. He is also respectful, courteous and a good teammate. His hard work in the performance center and on the court shows his dedication and love for the game of basketball. Shamar has aspirations outside of basketball which helps make him a well-rounded individual. Shamar gives us hope for the next generation. I feel very confident recommending Shamar for any future opportunities that you may have for him. If you require more information regarding Shamar, please don't hesitate to contact me.
