To Whom it May Concern,

Hello My name is Coach Brian Ali assistant coach at PHH Prep, I've coached Mr. Shamar Moore over the last year and half. Shamar is a tremendous basketball player and great young man, he would be a welcomed addition to your college program. Shamar has great athletic ability, great court vision, top notch mid range game with the ability to finish at the rim with the best of them. Very coachable and team oriented player, also very solid academically with high G.P.A. Shamar loves the game of basketball and wants to take his game to the next level by playing college basketball. I would highly recommend giving this young man the opportunity to help grow your program on and off the court. If you have any questions feel free to contact me @bali18.ba@gmail.com or 480-930-6338.

Sincerely,

Coach Ali
